

ERIC CRENSHAW serves as Chief Operating Officer of Chandler & Campbell. Prior to this position, Mr. Crenshaw served as The Center for Government Managements Chief Executive Officer, President and Co-founder. Mr. Crenshaw brings over 20 years of business experience to the corporation.

For over 10 years, he successfully owned and operated a management consulting firm with a focus on delivering excellent customer service in a multitude of industries. Mr. Crenshaw works closely and collaboratively with associates, strategic partners and clients to meet Chandler-Campbell's strategic goals.

Given his depth of knowledge and experience in the management consulting industry, Mr. Crenshaw brings exceptional value to this senior management team.

Mr. Crenshaw has led executive business teams to reach business goals and realize return on investment using disciplined management practices and performance measures; he will leverage these same best practices as he helps steer Chandler & Campbell to success.
